

Generalized System of Preferences (GSP) Manufacturer Statement of GSP Declaration

I, _____, hereby declare that the articles described were imported directly into the United States from (Country of Production) and that they satisfy either of the two following criteria to qualify for duty-free status under the US Generalized System of Preferences (GSP).

- First, the product is wholly the growth, product, or manufacture of a designated GSP beneficiary country.
- Second, the sum of (1) the cost or value of the materials produced in the beneficiary country plus (2) the direct costs of processing operations performed in such GSP beneficiary country is not less than 35 percent (%) of the appraised value (\$) in USD of such article at the time of its entry into the customs territory of the United States.

I certify that:

- The information in this document is true and accurate, and I assume the responsibility for proving such representations.
- I understand that I am liable for any false statements or material omissions made on or in connection with this document.
- I agree to maintain, and present upon request, documentation necessary to support this Declaration, and to inform, in writing, all persons to who the Declaration was given of any changes that would affect the accuracy or validity of this Declaration and will maintain these documents for five years from the date of export of product to the United States.

Hobby Lobby must comply with US Customs and Border Protection laws and regulations. Your assistance in this matter is greatly appreciated.

Important! Please note that the completed Declaration must be provided for each shipment. The Declaration should be submitted through OOCL Logistics Podium with other shipping documents. This document may be completed digitally or handwritten.
