

## Section 232 Aluminum Detail Sheet

This detail sheet contains data elements required for compliance with tariffs imposed on aluminum, and is not meant to replace regulations and/or guidance issued by U.S. Customs and Border Protection.

Complete all sections below.

### SECTION 1

|                                                                    |  |
|--------------------------------------------------------------------|--|
| <b>SKU Number:</b> (same as on commercial invoice)                 |  |
| <b>SKU Description:</b> (same as on commercial invoice)            |  |
| <b>Country of Origin:</b>                                          |  |
| <b>Country shipped from:</b> (if different than country of origin) |  |

### SECTION 2

|                         |                  |                    |
|-------------------------|------------------|--------------------|
| <b>Aluminum Product</b> |                  |                    |
|                         | Primary country: | Secondary country: |
| Smelt                   |                  |                    |
| Cast                    |                  |                    |

|                                                                                                     |  |
|-----------------------------------------------------------------------------------------------------|--|
| <b>Aluminum Content Only:</b>                                                                       |  |
| Content net weight in kg:                                                                           |  |
| Value in USD\$:  |  |

|                                                                                                           |  |
|-----------------------------------------------------------------------------------------------------------|--|
| <b>Total for finished aluminum product:</b>                                                               |  |
| Total product weight in kg:                                                                               |  |
| Total value in USD\$:  |  |

### SECTION 3

|              |                                          |
|--------------|------------------------------------------|
| <b>Name</b>  | <b>Address, Country, and Postal Code</b> |
| Manufacturer |                                          |
| Exporter     |                                          |

|                      |                     |
|----------------------|---------------------|
| <b>Information</b>   | <b>Completed By</b> |
| Name, Title, Company |                     |
| Date                 |                     |
